

You will have to print out this sheet to do this puzzle.

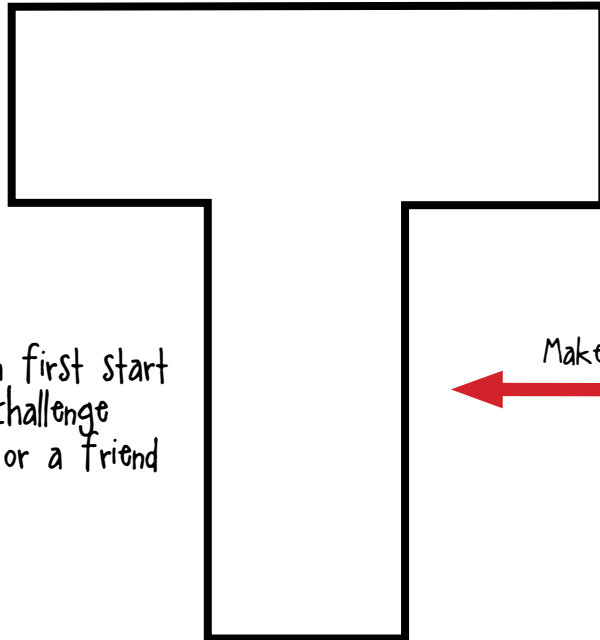

Fernnie the fish puzzle pages

# The "T" Puzzle

This looks like a very simple puzzle, only 4 pieces. You might be fooled, though.

## Instructions:

Cut out the four pieces (A,B,C,D) under the big "T"  
and put the four pieces together to make the big "T".

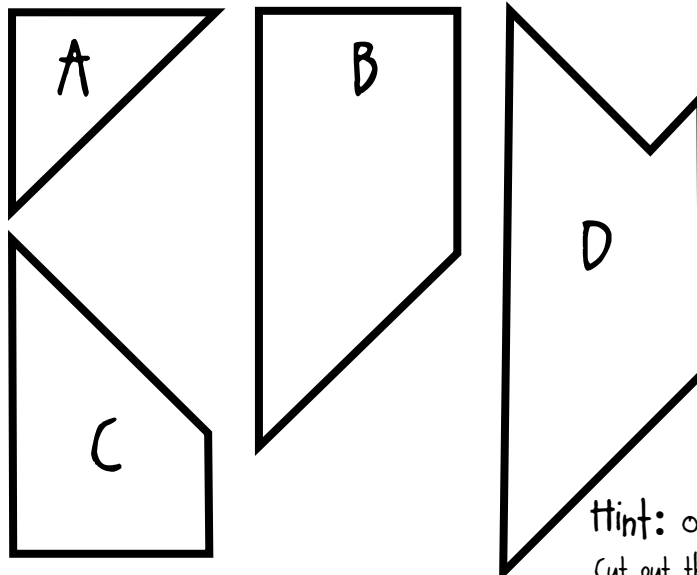

## Option:

Time yourself when you first start doing the puzzle. Then challenge someone in your family or a friend to beat your time.

Make the puzzle look like this.

## Puzzle Pieces

Hint: Only if you have already tried your best. Cut out the big "T" too and lay the four pieces on top of it. That might help!
