# Missing Pieces Puzzle

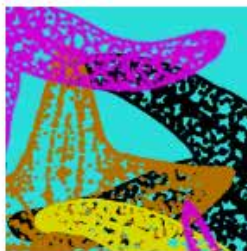

Can you use just your eyes and figure out where these pieces go?

## Instructions:

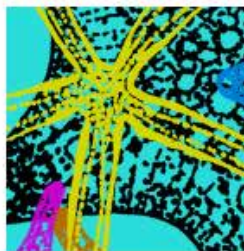

The 3 missing pieces of this picture are below it. Your job is to see if you can tell which piece goes in which hole just using your eyes. Be patient you can do it.

**Where do these  
3 pieces go?**  
*You may have to turn them.*

3

**Hint:** You could print it out But...  
the puzzle is about using your eyes.  
All the pieces will have to be turned.
